

USEF/IALHA provide for 2018 Youth Memberships and a Free Saddlepad!

The IALHA Board of Directors has again received a grant from the USEF for youth promotions.

The Board has determined that **one** good use for these funds is to help youth pay membership costs to join the IALHA. A form for application for membership fees can be found on the website, look for Forms and Downloads, then under Membership and Other Forms. The requirements this year for membership fee payment are:

- . Fill out the request form downloaded from the IALHA webpage
- . Indicate you are requesting payment for 2018, or if you have already paid membership request reimbursement.
- . Indicate the horse you have and the type of riding you do. i.e. trail riding, 4-H, dressage shows, performance classes, driving, clinics, etc. . Provide information such as the dates and events you have participated in for preceding 12 month period, feel free to add an extra page if needed.
- . Circle the type of saddle pad you would like to have: Dressage Western
- . Please send photos of you and your horse together preferably showing off the saddle pad to: info@ialha.org
