

Are you an artist who enjoys creating works that feature the Iberian horse? Then you should take part in the annual **IALHA National Championship Show Art Contest!**

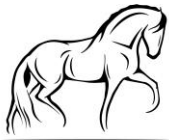

Each year, the International Andalusian & Lusitano Horse Association invites artists the world over to enter original artwork of the majestic horses we are dedicated to promoting, in a contest. The work selected will **represent the following year's National show** and will be afforded a number of other benefits.

The annual IALHA National Championship show has been growing steadily, attracting horses, exhibitors, volunteers and spectators from far and wide, who come together to celebrate the magnificent breed. This distinctive event features **all Andalusian horses**: pure bred Spanish, Portuguese (Lusitano), Spanish/ Portuguese, and half-bred horses. It highlights their incredible versatility by offering classes for all disciplines. The IALHA Nationals is an inclusive event, providing opportunities for exhibitors of all ages and experience levels in an encouraging and supportive atmosphere. Additionally, it is an annual occasion for those who **share a passion** for this distinctive horse to come together to form, or rekindle friendships.

The artwork selected to represent this distinctive event contributes greatly to the **festive show atmosphere**. We hope you will be a part of the celebration!

Applications will be accepted through **October 1, 2019**. If you have questions, please don't hesitate to reach out.

The IALHA Board of Directors looks forward to the fantastic creativity that the art contest encourages. Thank you!
