

Calling all Artists who love the Andalusian and Lusitano horse! We want you to take part in our annual Art Contest!

Each year, the IALHA invites artists from around the world to participate in our contest by entering original artwork (or a sizable print) of the majestic horses the IALHA is dedicated to. The winning art will be the face of the 2021 National Show and the artist afforded a number of benefits!

The winning work will not only represent the IALHA's National Show in the program, advertisements, and merchandise, but also be featured in an article in *The Iberian Horse* magazine, adding up to thousands of marketing opportunities! The art will be on display during the National Championship show and auctioned in the Silent Auction (proceeds will go to IALHA).

The annual IALHA National Championship show has been growing steadily, attracting horses, exhibitors, volunteers and spectators from far and wide, who come together to celebrate the magnificent breed. This distinctive event features all Andalusian horses: pure bred Spanish, Portuguese (Lusitano), Spanish/Portuguese, and half-bred horses.

The IALHA Nationals is an inclusive event, providing opportunities for exhibitors of all ages and experience levels in an encouraging and supportive atmosphere. Additionally, it is an annual chance for those who share a passion for this unique breed to form or rekindle friendships.

We hope you will be a part of this annual celebration! The entry form, guidelines and terms can be found on the IALHA website www.ialha.org. Applications will be accepted through October 31, 2020. If you have questions, please don't hesitate to reach out to tmeador@flash.net.

Please enter and support the beautiful animals you have been capturing in art! Thank you!
