

IALHA Embryo Transfer Permit Application

Must be submitted each year by mare owner **PRIOR** to Embryo Transfer.
The \$50.00 fee must accompany this form.

I hereby request a permit for the 202__ Breeding Season for the transfer of the resulting embryo(s) from the following breeding cross:

Name of Stallion: _____ IALHA Reg. # _____

Name of Mare: _____ IALHA Reg.# _____

I understand that the Stallion Report for this Stallion's breeding season must reflect the exact number of embryos transferred in order for the resulting foals to be registered with the IALHA. I understand that both Sire and Dam must be registered with the IALHA and DNA tested before this permit will be issued. I understand that failure to file this Application properly could result in penalty fees or rejection of the registration application for any resulting foal(s).
