

International Andalusian and Lusitano Horse Association

Recorded Agent Authorization Statement

IALHA Registry Rules, Section 22, state the owner of a horse must complete and file a Recorded Authorized Agent Statement in order to transfer responsibility IALHA registration activities to an authorized agent. The IALHA Registry will not recognize any other signature except the owners without such Statement. The recorded Owner remains responsible for adherence to all Rules and Regulations of this Registry. A signed letter from the recorded owner is sufficient to revoke the Agent Authorization Statement.

This document allows the person named here (print name), _____,
to act as agent for one or all horses belonging to owner (print name), _____,
regarding Registry transactions.

This document refers only to IALHA Registry transactions listed below. Please check all that apply.
