INSTRUCTIONS FOR COMPLETING THIS FORM

SECTION I. Horse's Information

Write in your 1st Name Choices for this horse. For Horses already registered with another registry, the name must be the same as appears on that certificate with the following exceptions: the name must be unique to the IALHA Registry, and it may not exceed 25 letters including spaces and punctuation.

SECTION II. Breeding Certificate

This section must be completely filled out OR the international documents of the horse to be registered attached to the application. If the horse does not have international papers and one or more of the parents is not registered with the IALHA, please complete the breeding section AND attached the registration documents (if available) for each non-IALHA registered parent to this application.

The BREEDER and STALLION OWNER must sign unless a recognized Registry Certificate or acceptable certificate of breeding is attached.

SECTION III. Owner M'd Fmpqc

Write in the Name, Address and other information of the MWNER of the horse at the time of birth- pcegqr_rgm1. If the current owner is not the same person listed as Breeder, then you must include a copy of the bill of sale* rp_lqdc pmp k* mp qge1_rspc md rfc @pccbc _srfmpgxl e the rp_lqdc,

SECTION IV. Markings

Afcail_jj`mvcqrf_r_nnjlw rrrfc k_pigleq mdrfgq fmpqc, Use the examples shown to determine the correct written terminology.

Afcail rfc_nnpmpng_rc`mvqfmugle rfc k gapmafngngle qr\_rsq mdrfc fmpqc`cg le pcegqrpcb, ?jj lcu pcegqr_rgm1 q k sqr`c k gapmafngncb,

SECTION V. DNA Rcqrgle

ALL new registrations must be DNA profiled. If the horse is DNA Profiled by a foreign registry, you must either include a copy of the lab report to be sent to our lab for determination of usability or, request a DNA kit from this registry. The IALHA reserves the right to refuse a non-IALHA DNA report. IALHA will conduct Parentage Verification on any new registration IF the parent's information is on file.

*If the horse is not DNA Profiled, you MUST request a kit from this registry and include the fee with this form.

*If one or both parents of this horse are not DNA profiled, they must be done for parentage verification
